

Merit Scholarship

AS/2 Level Candidates

What is the Merit Scholarship?

Oxford International School celebrates quality education and applauds the efforts of all students attempting to better their future prospects. Some students especially stand out in the efforts they have put in and the exceptional results they have achieved.

Here at OIS, we strive to give these high achieving students a moral boost by recognising the effort they put into their academic career and award them a categorical financial waiver which is based entirely upon their merit, the Merit Scholarship.

We hope that this recognition will go some ways to give these students that extra motivation and inspiration to dream bigger and achieve higher in their imminent future.

Who can apply for the Merit Scholarship at OIS?

Students who have attempted their O Level or IGCSE Examinations with either the CIE or EDEXCEL Board of Examinations respectively, and are seeking admission for their A Level, are eligible to apply for a Merit based Scholarship.
